PAPERBACK BLACK-AND-WHITE-INTERIOR, COLOR COVER BOOKS -

1-24 copies - 30% discount off the list price

25-99 copies - 35% discount off the list price

100+ copies - 40% discount off the list price

Valid for orders of a single title of the quantity specified, going to one address.

ALL COLOR-INTERIOR AND HARDCOVER BOOKS -

30% discount on all color-interior and hardcover titles.

You can find the list price of any print book by searching for the title on our website.

NOTE: While our books do, of course, have barcodes, we do not print prices on the majority of our books to allow bookstores and authors to experiment with prices.

SHIPPING - UPS shipping is based on the weight of the shipment and the distance it must travel. Our U.S. book orders are shipped from Tennessee and Pennsylvania. (Our printer also have a UK facility.) Shipping costs are considerably higher for shipments to Hawaii and Alaska. Prices are considerably higher for UPS 2nd Day Air and UPS Next Day Air than they are for UPS Ground. Books are usually printed and shipped within 3-5 business days. However, backlogs do occur, especially during the holidays.

****You should allow at least a three-week lead-time if you need multiple copies for a book signing or other special event.***

INTERNATIONAL SHIPPING - Shipping/handling for international orders is quite expensive. If you are an Ingram customer, you may qualify for free shipping from them and may want to order from Ingram directly. If you place an international order from us, the books will probably be shipped via Global Priority Mail or first class mail, depending on the restrictions of the U.S. Postal Service for each shipment. In some cases, we must ship books via UPS for international orders and you will then be charged additional costs for brokerage/duty fees after we are billed by UPS.

If you're ordering one book from outside the United States, estimate \$15.95 for global priority mail. You can obtain a quote for shipping by sending your book choice, the quantity and your shipping address to [angela - at - booklocker.com](mailto:angela@booklocker.com).

ATTENTION U.K. COMPANIES - Orders scheduled for delivery in the United Kingdom will be printed and shipped from our printer's U.K. facility. Shipping is by either UK Standard or UK Premium.

OPTIONAL RUSH SERVICE - Our printer offers a rush service for black-and-white interior books that provides, in most cases, 24-hour turn-around, meaning the books will be printed and shipped out within one business day. However, again, if there is a backlog of rush items, it might take two business days to get the books out the door. The charge for this service is 20% based on the price you're paying for the books (not including shipping).

ADDTL. TERMS: Print on Demand books are printed on demand, meaning we only print copies when they are ordered. We do not warehouse books. Therefore, Booklocker.com does not accept returns. Once an order is in our system, it can't be canceled.

BY COMPLETING THIS FORM, you agreed to the terms listed above.
